Learn from Dr. Angie Moe

Director of WMU's Therapy Dog Clinic

Angie has been working with therapy dogs since 2016 and has logged thousands of hours with her pack! She is currently training her fourth therapy dog and is an evaluator for the Alliance of Therapy Dogs as well as the Association of Animal Assisted Intervention Professionals (AAAIP). She also serves as State Coordinator for HOPE Animal Assisted Crisis Response. Angie is knowledgeable and passionate about the healing power of four paws!

This course offers a unique opportunity to learn within a healthcare facility & practice in real settings!
