### Western Michigan University Frostic School of Art Curriculum Guide

This curriculum guide is designed for all majors listed in the department. The prerequisite courses and process for acceptance into these College of Fine Arts majors are listed as follows:

**Application process:** Admission is selective, and competition is keen. It is recommended that students begin the application process a year prior to the desired WMU start date. Advisors are happy to meet or talk with prospective students at any point in the process.

Two separate applications are required to begin coursework in the School of Art:

1. Apply online to WMU Admissions and Orientation. Go to [www.wmich.edu/admissions/](http://www.wmich.edu/admissions/)
2. Apply online to the Frostic School of Art. Go to: [www.wmich.edu/art](http://www.wmich.edu/art)  
Click admissions, then undergraduate.  
Select the Bachelor of Art in Art, or Minor in Art admission instructions.  
Upload your application materials at the link  
[frosticart.slideroom.com](http://frosticart.slideroom.com), at the bottom of the page.

**Frostic School of Art application deadline dates for Fall and Spring admission, for the following academic year, are: October 1, February 1, and April 1.**

The Frostic School of Art application is completed online through SlideRoom. The application consists of uploading images, writing a personal statement, and an email recommendation. A third application is required during the freshman or sophomore year for all B.F.A. programs.

#### **Applying to the B.F.A. Majors:**

All students are initially accepted into the **B.A. in Art** degree program upon acceptance into the Frostic School of Art. After you have been accepted as a Bachelor of Art candidate, you have the option to additionally apply to one of the following Bachelor of Fine Arts programs:

- B.F.A. in Art **with emphasis** in Ceramics, Metals/Jewelry, Painting, Photography, Photography and Intermedia, Print Media, or Sculpture
- B.F.A. in **Graphic Design**
- B.F.A. with **Teacher Certification** (K-12)

The following are recommendations for **transfer students** planning to apply to the B.F.A. in Graphic Design; the B.F.A. in Art; or the B.F.A. in Art Education.

**Please note that at least half of the required credits for each major must be completed at WMU even in cases when more than half of the required courses are available to take as transfer credits.**

### **B.F.A. in Graphic Design application:**

The B.F.A. in Graphic Design requires a three-year sequence of design courses that can only be taken at WMU. Completion or enrollment in 12 credits of Art Basic Studio foundation courses and 3 credits of an Art History course is required to complete the B.F.A. in Graphic Design application.

The art faculty set the application deadline each January for the following fall. Application submission will be due around the second week in February. Applications are only accepted once a year at this time to select students for the following semester. Visit the WMU art website for information regarding application dates.

### **Courses that can be taken at MCCC for transfer to WMU's Graphic Design major:**
