

Alpena Community College

2025/26

Western Michigan University Aviation Curriculum Guide

Aviation curriculum requirements:

- The aviation program has 3 different majors:
 - Flight Science (pilot training)
 - Technical Operations
 - Management and Operations (management and technical support)
- ❖ The Flight Science major has several requirements for access to flight courses:
 - A Chief Flight Instructor-approved application for each ground school and flight lab
 - An FAA 2nd class medical (1st class is recommended)
 - Enrollment in flight theory courses is subject to a minimum grade point average of 3.0 for community college students and transfers from other 4-year colleges and/or universities and placement of Math 1110 or higher at WMU
 - Availability of aircraft and instructors

The following courses are required of all 3 majors and may be taken at Alpena:

WMU courses	ACC courses	
*Please see the WMU Essential Studies (WES) program guide		
COM 1700	SPE 121	
STAT 2160	MTH 223	
MATH 2000	MTH 130	
IEE 1020	BUS 248 or ENG 111 or 112 or 121 or 122 or 123	

Required for Flight Science majors only:

ECON 2010	ECN 231	
PHYS 1070	PHY 121 & 122	
PSY 1000	PSY 101	

Required for Management and Operations majors:

ACTY 2100	BUS 123
ACTY 2110	BUS 124
BUS 1750	BUS 121
ECON 2010	ECN 231
ECON 2020	ECN 232

MKTG 2500 BUS 241
PSY 1000 PSY 101
Required for Technical Operations majors only:

BUS 1750 BUS 121

PHYS 1070 | 1080 PHY 121 & 122

Important notes:

- Satisfactory completion of all CFR Part 147 requirements in the Aviation Technical Operations major prepares students to take the Federal Aviation Administration (FAA) Airframe and Powerplant written and practical exams.
- ❖ Beginning with Fall 2026 admission to the Flight Science major, students are required to have an FAA First or Second Class Medical Certification at the time of application.
- All Flight Science students are required to subject themselves to the college-approved drug testing procedure before being allowed to participate in any flight activity in University aircraft.
- Graduates of the Flight Science major earn their FAA Commercial Pilot Certificate with Instrument and Multi-engine Land ratings.
- ❖ For information on airplanes, hangars, engines, and other technical items, please visit the WMU Aviation website: https://wmich.edu/aviation.
- For program information, please contact the advising office indicated below.
