2025/26

Western Michigan University Bronson School of Nursing Curriculum Guide

Nursing requirements:

- This program guide is intended for students who do not already have a nursing license.
- Students admitted to WMU are actually admitted to the pre-nursing curriculum.
- Admission to the pre-nursing program does not guarantee admission to the professional phase of the program.
- Students must be admitted to WMU before they can apply to the professional nursing program.
- To be eligible to apply to the professional nursing program students must:
 - Complete all prerequisites with a minimum of a “C” (2.0) or higher in each course
 - Achieve a minimum cumulative grade point average of a “B” (3.0) or higher
 - Earn an average grade of “B” (3.0) or higher in the four science prerequisite courses (or equivalencies). Each prerequisite course may be repeated once. Only the second grade will be considered in the admission decision.
- Students must complete the following courses before applying to the professional program:

WMU courses	MCC courses
CHEM 1510 1520	CHEM 109 & 109A
CHEM 1530 1540	No equivalent at MCC
BIOS 1910 or 2110	BIOL 152
BIOS 2400	BIOL 252
ENGL 1050	ENG 101
SOC 2000 or 2100	SOC 101 or 202A
PSY 1000	PSYC 201
HSV 2250	PSYC 207

Important notes:

- The nursing program has developed a **holistic admissions process** that allows them to admit students with unique experiences and excellent academic performance to come together in an inclusive learning environment.

- The process is competitive and thorough and includes a critical evaluation of your GPA and may include a personal statement, letter of recommendation, essay questions and interviews.
- 45 students are selected twice each year.
- The deadlines for submitting the nursing application are **March 15** (Fall) and **October 15** (Spring) each year.
- Please [click here](#) for the entire nursing application process information.
- Questions about the application process should be directed to the college advising office listed below.
- Students may also complete the following courses, which are part of the professional curriculum, at MCC (required for WMU graduation):

WMU courses	MCC courses
BIOS 2320	BIOL 207 and 207A
STAT 3660	MATH 115A

General Education Information:

- Some of the general education requirements are met by the courses that are in the nursing program. Contact the Pre-Nursing advisor for more information. Please see the [WMU Essential Studies \(WES\) transfer guide](#).
