

**PROPOSAL: Create the Undergraduate Certificate in Web Development**

Background

The Undergraduate Studies Council of the Faculty Senate has approved the creation of the Undergraduate Certificate in Web Development offered by the Department of Computer Science in the College of Engineering and Applied Sciences.

Web development is the dominant area of employment for undergraduates in computer science. This certificate will allow student to add value to their degree by being certified by WMU as a web developer.

Recommended Action

Create the Undergraduate Certificate in Web Development.
