

**PROPOSAL: Delete the Master of Social Work (Accelerated) program**

**Background**

The Undergraduate Studies Council of the Faculty Senate has approved the deletion of the: Master of Social Work (Accelerated) offered by the School of Social Work in the College of Health and Human Services.

The decision to delete the current MSW Accelerated Program is based on redundancy with existing pathways. The curriculum and admission requirements of the Accelerated Program substantially overlap with those of the existing MSW Advanced Standing option. Maintaining a separate accelerated track no longer provides a distinct academic or administrative advantage to students or the School of Social Work.

**Recommended Action**

Delete the Master of Social Work (Accelerated).
