

PROPOSAL: Delete the Youth and Community Development Major (YCVJ)

Background

The Undergraduate Studies Council of the Faculty Senate has approved the deletion of the Youth and Community Development Major (YCVJ) offered by the Department of Family and Consumer Sciences in the College of Education and Human Development.

Instead of offering a program in Youth and Community Development, the department is moving it to a 'track' within a different undergraduate program.

Recommended Action

Delete the Youth and Community Development Major (YCVJ).
