2. Your Contract rate is based on your room type. Rates can be found on the WMU housing website for the corresponding academic sessions at <https://wmich.edu/housing/apartment-rates>. Rates for 2026-27 will be available in late spring 2026. University payment plan details can be found on the accounts receivable website at <https://wmich.edu/accounts-receivable>.
4. In the event the Term of this Contract includes a portion of a calendar month, but not the full calendar month, then the Contract Rate for that partial calendar month shall be reduced for that period based on the number of nights you occupied the space. The University will calculate that rate by dividing the Contract Rate by the number of days in the month, to establish the per night Contract Rate. You will be charged the resulting per night Contract Rate for each day You occupy Your Space.
5. All rates, charges and other fees in this Contract will be charged to Your University student account, which will also reflect any unpaid amounts under this Contract. Account balances that are 30 days or more past due will be assessed a service charge of 1.5% monthly (18% annually) on approximately the 15th of each month. Monthly service charges will be applied to any past due balance until the account is paid in full. Service charges cease when an account is placed with a third party for collection.
6. If You do not pay according to the terms of this Contract, the University will place a hold on Your student account, which will prevent You from registering for classes, obtaining/releasing Your transcript, or receiving Your diploma.
7. If past-due, the University may also refer Your account to a Collection Agency for further action. You agree to reimburse WMU for the fees of any collection agency, which may be based on a percentage of Your debt, up to a maximum of 39%. If referred for debt collection, Your account will be reported to the major credit bureaus as delinquent.

When applicable, You will be assessed a cleaning fee each time You move to a new Space during the term of this contract. This non-refundable cleaning fee is NOT a security deposit. This fee will be used only to defray the actual costs of cleaning a Space at the beginning of this Contract. This fee is not intended for and will not be used to repair damage to the Space beyond normal wear and tear. The University specifically reserves the right to hold You financially accountable for any damage to the Space that exceeds normal wear and tear. Furthermore, this fee does not relieve You of the obligation to keep the Space in a sanitary condition as required in the CLEANLINESS AND SANITATION section in F. 6. If the University terminates this Contract based on Your behavior or conduct, You will be subject to discipline and sanctions as set forth in the Community Living Expectations Book (CLE) and/or the WMU Student Code. If the University terminates this contract under either, You will owe the balance of the Contract fees and expenses.
7. If You are academically dismissed, You must cancel this Contract. You will be charged for the days that You occupied the Space or during which keys were issued to You for a Space, whichever is longer. You will not be charged a cancellation fee if the Contract is terminated due to Your academic dismissal. Upon dismissal, there will be a charge only for the dates of occupancy.
