Reports of University Representatives

Graduate College Dean Byrd-Jacobs reported on several issues including an update on marketing efforts, graduate certificate growth, and other graduate issues of interest.

Curriculum Manager DeChano-Cook reported on recent concerns raised regrading prior learning assessments (PLA). An ad-hoc subcommittee, including DeChano-Cook, Cumming, Byrd-Jacobs, Bierlein Palmer, and Zondag was formed to look into the issues.

Graduate Student Association Representative Embil, Jr., updated the council on recent and planned GSA

activities

Unfinished Business

Byrd Jacobs reported on an MOA that had been approved by GSC last Fall, and signed by the president at the end of July 2013. This MOA modified the WMU policy to allow the use of the most recent grade for repeated graduate courses. It was noted by Cumming that since this did not make it into the 2024-25 catalog, it would not go into effect until Fall 2026. Bierlein Palmer questioned this since the MOA language indicated it became effective upon the president's signature. A decision was made to seek HLC input as to its potential effective date.

Announcements

Bierlein Palmer reminded the group that the next meeting was Thursday, October 24, from 3-5 pm in Walwood Hall, while the November 21 meeting will be virtual, and the December 12th meeting would be back in Walwood Hall.
