Reports of Officers

Chair Holohan reported that TCC will start the fall semester with a new chair. Chair Holohan will still participate until her term ends in December 2025. Miller also reported that he will no longer serve on the committee starting in the fall, as there will be a new staff member taking on this task.

Reports of University Representatives

DeChano-Cook reported that the Faculty Senate passed the MOA for the military, and currently in the 30-day minimum waiting period

Unfinished Business

Chair Holohan reviewed a working draft of the Transfer Resource Guide with TCC. Ott informed the committee that Franks, Hennessy, Tammi Maner from Admissions, Beuchler, and Cumming will be asked to review the document, as well as the Undergraduate Studies Council chair. DeChano-Cook suggested that an academic advisor review the document as well.

New Business

Chair Holohan discussed TCC membership for the 2025-26 academic year, which started with a review of current membership: names, titles, etc. A discussion ensued as to missing positions and the need to move some members to their appropriate departmental representation. Chair Holohan suggested that TCC make Ott, Pathways, and Partnerships a permanent member of the committee instead of in an advisory role. No action taken on the membership front; however, Chair Holohan will shore up questions with the Faculty Senate.

TCC will need a new chair and a secretary for the fall. Chair Holohan would like a new chair in place so that the new officer can get the desired training at the start of the fall semester. This will be on hold at this time.
