WMU Essential Studies Assessment Days

Dear Faculty Colleagues:

The WMU Essential Studies program is rounding out its first year of implementation. As part of the Faculty Senate's and WMU's effort to receive feedback and constantly enhance the program, we hope you will join the WMU Essential Studies Assessment Days. **Sessions will be held on April 14 and 15 from 10 a.m. – 12 p.m.**

After a welcome from the WMU Essential Studies Executive Advisory Committee, dedicated Webex rooms will be available for you to meet with other instructors from your course level and category.

Each session will include discussions of data from this past fall semester. You will be also able to discuss your WMU Essential Studies experiences with colleagues and at least one member of the WMU Essential Studies Executive Advisory Committee.

We are grateful for your participation in this important process.

Regards,

Jonathan Bush

Chair, WMU Essential Studies Executive Advisory Committee
