

Digital Accessibility at WMU

Thursday, October 1, 2026

Presenter:

Gwen Bostic, Accessibility Compliance Specialist Sr.

Starting Point for Digital Accessibility

- www.wmich.edu/digital-accessibility
- Gwen Bostic, Senior Accessibility Compliance Specialist

General Update

- Digital Accessibility Committee Formed and Operating
- WMU Digital Accessibility Request form
- Digital Accessibility Faculty Champions
- ReadReady pdf remediation tool

Where we are

- ADA Title II
 - Law
 - Deadline extension to April 2027
- Updated Digital Accessibility Policy
- WMU's internal deadline

What remains

- Reviewing the details
 - Regularly review your site's Siteimprove report
 - Regularly review your Ally scores in Elearning
 - ReadReady Tool for PDF remediation
 - Complete the IT Planning and Compliance Review Process
 - Comply with individual Student accommodations approved by Disability Services for Students ("DSS") – including for digital accessibility AND engage with DSS to help determine reasonable accommodations

How you can help

- Explore and become familiar with the website and resource; encourage others to do the same
- Use the website form to ask questions or reach the team
- Share the faculty champion program with peers (link on site)
- Respond to Ally and Siteimprove reports when they arrive, ask questions about them when you have them
- Ensure new tools and technologies go through the technology compliance review process
- Send the team your suggestions for improving support

Thank You!
