- Deadlines for proposals to be at the CCC level in Curriculum are in red.
- Deadlines for the proposal to be submitted to the department chair and department curriculum committee chair are in blue.
- Curriculum Committee meeting dates are in green.
- Dates that are **bold and underlined** represent the **final two deadlines** to have proposals at the College Curriculum Committee level for review and the **final two College Curriculum Committee meeting dates** for changes intended to become effective Fall 2027. To meet the Fall 2027 curriculum deadline, proposals must be presented to and approved to move forward by the College Curriculum Committee in time for any required revisions to be completed and approved at the CCC level by October 28, 2026. All proposals must receive the dean's approval by October 30, 2026.

The October 27 CCC meeting date is tentative. Check with the committee chair if you have questions.
