Number of black-and-white images, and number of pages to be allocated: (include tables, maps, and line art)	
Number of black-and-white images approved by the publisher:	
Delivery date of manuscript: (month and year)	
Primary language of manuscript:	
Other languages used: (include historical languages)	
Any special fonts or character sets required:	
Index required?	
Index prepared by author? ²	
Non-native-speaker language checks required? ³	
Reproduction Rights for Text: ⁴	

Audience:

Type of publication (check one box):	☐ Monograph for a scholarly audience ☐ Thematic collection of articles for a scholarly audience ☐ Reference work (incl. database/ encyclopedia) ☐ Textbook for university classroom use ☐ Popular book (aiming at readership beyond academia) ☐ Other (please specify): Click or tap here to enter text.
--------------------------------------	---

¹ Reproduction rights are managed and paid for by the author. Please supply the number of pages your images or tables require; otherwise we will impose standard formulas (e.g., two images per page).

² A fee is chargeable if the index is not prepared by the author. We are happy to supply contact information for indexers who we have worked with in the past.

³ If you are not a native English speaker, please ensure your manuscript has been edited by a native speaker before submitting it for peer reviewing. If you need assistance, we can recommend specialists whom you may contact to negotiate a price.

⁴ If part of this manuscript has been published elsewhere, please indicate what written assurances you have that this material can be republished. Equally, if there are lengthy block quotations (or similar) from third parties (300-400+ verbatim words or longer), indicate the action that you will take to assure that no reproduction rights are broken.

Description of project (attach additional pages as needed):

One-line summary: (for social media; 200 characters max)	
Blurb: (for marketing; 450 characters max)	
Proposed Table of Contents: (list section and chapter titles only)	
Keywords (3-5):	
Description of the work set within the relevant scholarly tradition: (no more than 150 words)	
Three distinguishing features about your work:	
Detailed description of content (no more than 2 pages): • For an edited collection, please indicate why and how the topics and contributors were selected, and how you plan to ensure maximum coherence and quality across the collection. • For a revised doctoral dissertation, please indicate what revisions you are making and whether sample chapters are available. • For a reference work or museum or exhibition catalogue, please include a sample entry.	
Planned follow-up publications or other research projects:	
Three or four key experts in the field: (We may use these individuals as peer reviewers or writers of endorsements; please also indicate any scholars to be avoided due to conflicts of interest, etc.)	

Additional notes:

Are there any other considerations that we should be aware of? (e.g., is this project associated with a particular grant or funding source? Does it need to be published by a certain date for tenure or REF requirements?)	
Open Access or other publishing grants available: (note the currency and any conditions)	
Professional memberships: (Used to plan marketing and to explore possible prize or funding opportunities)
