

Additional Resources Scheduling

This is used when you are scheduling an appointment with someone outside your Success Team.

Log in to GoWMU. Select Student Success Hub from the navigation bar, and then choose Appointments with Additional Resources. These are staff that are not yet on your Success Team but that you need a meeting with.

Select the Arts and Sciences Advising Team (unless you need to schedule with someone outside of Arts and Sciences. Then select their Team).

Description

Undergraduate students can connect with academic advisors in the College of Arts and Sciences to discuss information related to registration, program requirements, major changes, and building a degree plan to aid in achieving their goals.

Click schedule an appointment, and then choose your appointment topic.

Click the filter button and select "By People on This Team" and find the advisor you need. Then choose a date and location. You're done!
