- Deadlines for proposals to be submitted to the department curriculum committee and department chair are in blue.
- Deadlines for proposals to be submitted to the College Curriculum Committee are in red.
- College Curriculum Committee meeting dates are in green.
- Only Non-WMU Essential Studies courses (new, changes, or deletions) are eligible for a spring effective date. WMU Essential Studies courses (new, changes, or deletions) and programs (new, changes, or deletions) that receive the Dean's final approval by March 31, 2027, will not become effective until Fall 2028.
- **Dates that are bolded and underlined represent deadlines for submitting curriculum change proposals intended to become effective Spring 2028. The final College Curriculum Committee (CCC) meeting to review and approve proposals for a spring 2028 start is March 23, 2027. Proposals approved with required revisions must have those revisions completed and returned to the CCC level for final approval no later than March 29, 2027. All proposals must receive the dean's final approval by March 31, 2027.**
