RECESSIONAL

Western Brass Ensemble

Welcome From the President

On behalf of the entire Western Michigan University community, I would like to extend a hearty welcome to all of today's graduates and their families and friends who are here to help us celebrate this important day.

Commencement day is a very special time, indeed. It is the culmination of the University's efforts to provide a quality experience to its students—one that is learner centered, discovery driven and globally engaged. Today we acknowledge that these efforts were successful, and the results are well-educated, capable individuals who are prepared for any challenge the future may have in store for them. As students, those who are graduating today have been a source of great pride for the University. As alumni, I know these graduates will continue to make WMU proud.

But today is more than a time to honor our graduates. We must also recognize all the parents, friends, family members and others whose encouragement and guidance have made this day possible for our students. The pathway toward a degree is long and challenging, and I know that our graduates could not have reached their destinations without your support. Please join me, too, in extending thanks to our faculty and staff for creating and fostering an environment of student success.

As we celebrate this most joyous occasion, I hope that you will enjoy your time on Western Michigan University's campus. Please come back and visit us soon.

Most sincerely,

A handwritten signature in black ink that reads "John M. Dunn". The signature is written in a cursive, flowing style. Below the signature, the name "John M. Dunn" is printed in a simple, black, sans-serif font.

President of the University

Greeting to our Newest Alumni!

Today, when you walk across the stage of Miller Auditorium and receive your diploma, you will join the worldwide network of Western Michigan University graduates. On behalf of the WMU Alumni Association Board of Directors, I congratulate you on your achievement and welcome you to an active and vibrant alumni community.

The WMU Alumni Association works, through the Office of Development and Alumni Relations, to foster an alumni community that is inclusive, connected, and engaged. There are nearly 225,000 WMU Alumni worldwide. As students, the common geography of campus linked you to one another. As alumni, the shared interest and pride in your alma mater will keep you connected.

The best way to ensure that connection remains strong is through MyWMU.com, dedicated to all WMU alumni. Here you can stay informed about exciting events, experiences, and offers; peruse our many services and benefits for alumni; find out how to give back to WMU; and finally, read about what other alumni have done with their degrees, where they ended up in the world, and what they learned along the way. We hope that one day, you will share with us your own unique story.

As alumni, we are the University's best ambassadors. Wherever life may take you, I hope you will enthusiastically share your Bronco pride with others.

Again, congratulations on your accomplishments and best wishes!

Sincerely,

A handwritten signature in black ink that reads "Mark A. Jackson". The signature is written in a cursive style.

The University

One of the top-100 public universities in the United States, Western Michigan University is committed to being learner centered, discovery driven and globally engaged.

Founded in 1903, the University has undergone dramatic growth in size and stature during its more than 100 years of service. Today, WMU offers more than 250 academic programs to students pursuing degrees through the doctoral level. More than 20 percent of its nearly 25,000 students are enrolled in graduate course work, studying in disciplines that range from atomic physics and geosciences to medieval literature and blind rehabilitation. Of 102 graduate offerings available, 30 lead to a doctoral degree.

The Carnegie Foundation for the Advancement of Teaching classifies WMU as one of just 147 public universities in the nation with high or very high research activities. In addition, *U.S. News & World Report* names WMU among the nation's best national universities, and has done so for 23 consecutive years.

Home to a thriving undergraduate honors college, WMU is one of four public universities in Michigan to be granted its own chapter of Phi Beta Kappa, the oldest and most widely recognized academic honor society in the nation. Just 101 other public universities in the country have been selected to shelter a chapter.

The University has garnered such success by encouraging an emphasis on both teaching and research. Many of WMU's more than 900 full-time faculty members are engaged in cutting-edge research, helping to enhance the body of knowledge and, at the same time, ensuring their students have access to the most current information.

Engagement with the communities it serves, innovation and outreach to enhance economic development have become the University's hallmarks in recent years. WMU plays an integral part in efforts to diversify the state's economy. Locally, it has partnered with two world-class teaching hospitals to launch a new medical school in fall 2014.

In recent years, the University also has focused on access to technology for both faculty and students, becoming one of the first major universities in the nation to offer campuswide wireless computing.

Both the faculty and the student body reflect WMU's reputation in the world and its commitment to diversity. The University attracts students from across the nation and from some 105 other countries. Minority students comprise more than 19 percent of the student population while international students make up an additional 7 percent. WMU's faculty members have been trained at some of the world's finest institutions, and they bring to the campus a global perspective that enhances the learning environment.

WMU extends its reach well beyond its main campus in Kalamazoo. In addition to its robust online offerings, the University offers nearly three dozen complete degree programs to people in 30 communities around the state through WMU regional locations in Battle Creek, Benton Harbor/St. Joseph, Detroit, Grand Rapids, Lansing, Muskegon and Traverse City. The University also sponsors study abroad programs in China, France, Germany, Mexico, Russia and Spain and has exchange agreements with institutions around the globe.

The University Seal

In 1957, the year that Western Michigan University became a university, WMU art professor John Kemper made a sketch on the back of his faculty identification card that would eventually be adopted as the official seal of WMU.

The circular design by Kemper has remained the University's official mark for more than 50 years. It has four components:

- **Five stars** that symbolize the main academic units in place when WMU gained university status—the schools of Applied Arts and Sciences, Business, Education, Liberal Arts and Sciences, and Graduate Studies
- A **tree** that signifies the University's continuing growth, while its roots acknowledge the institution's firm planting through its creation by the Michigan Legislature in 1903
- A **stone arch** that symbolizes a gateway to knowledge as well as solid growth, while the missing keystone indicates the University's growth is incomplete, with much more remaining to be accomplished and discovered
- A **pyramid**, which stands for the building of knowledge and features a flame at its apex to signify enlightenment—WMU's true purpose.

Prior to the current design, four different seals represented the University under its various names. The first two emblems were circular and modeled on components of Michigan's state seal. The two subsequent seals were rectangular and featured depictions of campus buildings.

Academic Regalia

The use of academic dress stems from costumes worn in universities in the fourteenth and fifteenth centuries, particularly at Cambridge and Oxford in England. Since colonial times, it has been worn in the United States and was standardized by an Inter-collegiate Code in 1895.

The major distinguishing characteristics of the gowns are the sleeves, styled in the following fashions: bachelor, long pointed; master, oblong; and doctor and specialist, bell shaped. The doctor's gown has a velvet collar, facing and three bars on the sleeves. The specialist's gown differs from a doctor's in that it has no sleeve bars.

Masters, specialists and doctors wear hoods lined with the official colors of the university from which the degree is granted. They vary in size and shape to indicate the several degrees. The doctor's hood is the largest and most lavishly decorated. The color of the velvet that circles the opening of the hood shows the degree earned—silver for doctor of audiology, light blue for doctor of education, dark blue for doctor of philosophy, peacock blue for doctor of public administration.

Caps are mortar boards with the tassel worn over the left front quadrant. The tassel's color indicates the academic program area.

Tributes

The WMU Office of Annual Giving thanks the members of the Class of 2014 and their families and friends for contributing to the WMU Foundation.

Messages are listed alphabetically by the graduates' names.

From the Graduates in honor of . . .

Jaimee Bartow Mom and Dad

Thank you for always supporting me throughout this journey. I owe my success to you. Love you!

Alycia B. Cover Linda and Gerald Cover

I am only here because of you, thank you for always being my anchor. I LOVE YOU.

Kristina Felarca Tammy and Matt

Thank you to my parents who provide the strongest motivation and support in all that I do. This day wouldn't have been possible without you!

Bianca Iberle Mom and Dad

I just want to thank both of you for all that you have done for me over the past years. It truly means the world to me and I wouldn't be where I am today without your continuing love and support.

Brennan Stephens Mom and Dad, My Sister Cassidy, My Grandparents, and the Late Mike Stephens

Thank you for all of your continuous love and support that you have given me throughout the years. Without all the support, I would not be the person I am today and for that I thank you. Love you always.

Sherri Stevens Mom and Dad

Thank you for teaching me the importance of education, supporting and encouraging me, and always being there for me. I love you and hope to make you proud. Go Broncos!

From the Families and friends in honor of . . .
