## CLASS SUPPLY LIST

### CLASS PROJECT MATERIALS:

It's recommended to purchase woven beginner fabric for shirt project. Fabric and interfacing yardage is dependent on pattern size, please refer to recommendations on pattern package and class supply list. Fusible interfacing with a weight that will support your fashion fabric weight should be purchased, ask associate for assistance if needed. Suggested interfacing for both projects is lightweight fusible.

I recommend purchasing required commercial patterns but waiting to purchase other project materials needed until assignment is given. This will require additional trips to the store. If project materials are purchased before the semester please follow my project material recommendations and required materials outlined on pattern package and class supply list. Fabric Cost is dependent on yardage and quality of fabric. If you shop around you can find some nice inexpensive fabric for this project.

### REQUIRED SHIRT PROJECT MATERIALS:

- Blouse Pattern - New Look 6232 - \$4
- 2-2 1/2 yards of Fashion Fabric - \$6-30+/yard
- 1 1/2 -2 yards of Lightweight Fusible Interfacing \$3.50/yard
- Eleven 1/2" inch Buttons \$5+ (Button color and style should match fashion fabric selected.)
- One Spool of Gutermann Thread (Matching fabric color.) \$2.50+

### SHIRT FABRIC:

- **Beginner Fabric:** Cotton Blend, PinPoint Oxford, Cotton Batiste, Rayon Blend, Percale, Gingham, Madras, Sateen Cotton, and Chambray Lightweight Denim.
- **Advanced Fabric:** Crepe de Chine, Challis, Charmeuse, Georgette, and Lace.

Students are responsible for coming to each class prepared with the required supplies and materials. This list includes all supplies that will be needed for the semester. Students will use this equipment throughout all design courses. You may be required to purchase additional supplies for other classes depending on course requirements. You will be given a cubby in the class room to store your supplies. It's recommended to label all belongings and supplies. The department is not responsible for lost or stolen personal items.

Due to lab availability limited facility open lab hours are offered for student use. Design and Development majors may wish to purchase a sewing machine to aid in meeting program design requirements. Sewing machine brand and model is left to the discretion of the student's preference and budget.
