Western Michigan University becomes the second university in the state of Michigan to offer an Esport minor amidst the growing interest in the industry. This new interdisciplinary program will prepare students to enter the field of Esport with hands-on knowledge of the values, ethics, arts and business of video gaming. Although housed in the College of Education and Human Development, the Esport minor is a collaborative effort, embracing the strategic plan, mission and values of the Colleges of Education and Human Development, Engineering and Applied Sciences, Business and Arts and Sciences. For the required electives, students can
choose from one of two emphasis areas: values, ethics and art; and the business of gaming.

Merze Tate Explorers discover cooking with STEM with WMU nutrition and dietetics program

Young women from the Merze Tate Explorers (MTE) joined Western Michigan University students from the Student Dietetic Association (SDA) this semester to discover cooking with STEM. The two sessions took place in the Kohrman Hall food lab on Western’s campus. The sessions represent one of five service projects the SDA has been involved in during the 2022-23 academic year.
Another WMU Giving Day is in the books! Thank YOU!

From the bottom of our Bronco hearts, we can’t thank you enough for all the love you showered WMU with on Giving Day! 2,928 Broncos from all 50 states and around the world came together to harness the power of collective giving on this year’s WMU Giving Day. Because of YOU, more students at WMU will be able to pursue their purpose and thrive. Didn’t have a chance to make a gift? Remember, you can help provide a higher degree of opportunity for our students anytime. Just give to the fund, program or cause of your choice at WMUalumni.org/Give.
Welcome 2023 graduates!

Spring commencement will take place on Saturday, April 29. We are looking forward to this exciting day as we welcome a new cohort of WMU alumni.
