Office: Western Michigan University, Ellsworth Hall, Kalamazoo, MI | 269-387-5910 | brad.r.watts@wmich.edu

EDUCATION

Western Michigan University, Kalamazoo, MI

Ph.D, Interdisciplinary Evaluation

2011

Focus Areas: Methodology, statistics, policy.

Western Michigan University, Kalamazoo, MI

BBA, Business/Economics

2001

PROFESSIONAL EXPERIENCE

The Evaluation Center, Western Michigan University, Kalamazoo, MI

Assistant Director

2015 – Present

Assistant Director handling both administrative and evaluator roles for a university-based evaluation center. Duties include obtaining grants and new business, development of collaborative partnerships with faculty researchers, research design, analysis, report authorship and presentations, graduate student advising, financial management, and direct supervision of research and support staff.

Center for Human Services Research, University at Albany (SUNY), Albany, NY

Senior Research Scientist and Assistant Research Professor

2012 – 2015

Responsible for all aspects of evaluation and research projects for a multidisciplinary University Center. Duties include obtaining grants and new business, research design, analysis, and lead report authorship, implementation of surveys, oversight of junior research staff, and serving on the center's administrative leadership team.

The W.E. Upjohn Institute for Employment Research, Kalamazoo, MI

Regional Analyst

2006 – 2012

Conduct research on regional economic topics, evaluate programs, co-author of quarterly publication on the West Michigan economy, conduct fiscal analysis and economic impact analysis for business and local government, report authoring, presentations on the local economy and on study results for audiences of business, governmental, and community leaders.

The W.E. Upjohn Institute for Employment Research, Kalamazoo, MI

Assistant Regional Analyst

2001 – 2006

Conduct quantitative analyses, manage large datasets, economic forecasting and impact analysis, co-author research reports, presentations on regional economic topics.

RECENT MAJOR CONTRACTS AND GRANTS

Evaluation of the Center for Sustainable Plant Innovation and Resilience (2025-2030). Role:

Principal Investigator. Assessment of a multi-site, international research collaborative working to discover bioactive compounds that enhance plant and soil health while engaging industry partners and stakeholders to co-develop technology, promote sustainability, and build public trust.

NIH COMPASS: Spanning Boundaries between Public Health, Emergency Housing & Criminal Justice (2023-2025). Role: PI (Research Component). Research partner with the organization

Face Addiction Now for a multi-year initiative to develop and test new boundary-spanning services related to substance use disorder recovery, public health, criminal justice, and other intersecting services across Michigan. Prime sponsor is the National Institutes of Health.

Council of State and Territorial Epidemiologists (2023-2025). Role: Co-PI. Evaluation of the impact of electronic case reporting (eCR) system on public health agencies.

Research University Alliance (2021-2024). Role: Principal Investigator. Evaluation of program activities for a nine-university alliance. Prime sponsor is the National Science Foundation Alliances for Graduate Education and the Professoriate (AGEP) program.

Indiana State University (2018-2023). Role: Principal Investigator. Evaluation of a large college mentoring program funded by a U.S. Department of Education, SIP grant.

U.S. Centers for Disease Control (CDC Foundation, 2020). Role: Co-PI. Evaluation services for the Information Exchange between Healthcare Sector and Public Health pilot program.

Battle Creek Community Foundation (2018-2019). Role: Principal Investigator. Evaluation of the Kalamazoo – Battle Creek Trauma Resiliency Project.

Michigan Supreme Court, State Court Administrative Office (2016-2018). Role: Principal Investigator. Evaluation of restorative practices programming in the secondary educational system.

ONEplace (2016-2018). Role: Principal Investigator. Evaluation of all program activities of ONEplace, a foundation-supported initiative for nonprofit leadership and professional development.

Central Michigan University (2016-2017). Role: Principal Investigator. Evaluation of a STEM professional development program for K-8 teachers. Part of a Michigan Department of Education, Improving Teacher Quality grant.

Delaware State University (2015-2020). Role: Principal Investigator. Evaluation of Delaware State University's Optics for Space Technology and Applied Research Center, a NASA grant-funded project.

Delaware State University (2015-2018). Role: Principal Investigator. Evaluation of Delaware State University's NSF-funded Center for Optical Center for Research and Education in Optical Sciences and Applications.

Indiana State University (2015-2019). Role: Co-PI. Evaluation of the Accelerating College Completion Through Academic Mindset program at Indiana State University.

International Labour Organization (2015-2016). Role: Principal Investigator. Metaevaluation study of evaluations conducted on ILO development projects during 2014-2015.

New York State Office for People with Developmental Disabilities (2014-2015). Role: Principal Investigator. Funding to conduct a validity Study of the CAS, a new client assessment tool developed by NYS for use with the developmentally disabled adult population.

NYS Office of Victim Services (2015). Role: Principal Investigator. Part of a joint U.S. Department of Justice award to develop and improve a victim legal services network. In charge of leading needs assessment and research activities intended to identify service gaps in the current system in New York outside of New York City.

City of Albany and Albany Law School (2015). Role: Principal Investigator. Contract to conduct a formative evaluation of the Albany Citizens' Police Review Board and to identify benchmark measures for tracking future board processes and outcomes.

New York State Office of Children and Family Services (2011-2015). Role: Joint Investigator. Implementation of a random control assessment of the Healthy Families New York program supporting a 15-year study update with participants from the original trial cohort. Research focused on outcomes related to education and income, as well as cost-benefit analysis.

U.S. Department of Justice, Office of Justice Programs, Office for Juvenile Justice and Delinquency Prevention (2013-2014). Role: Principal Investigator. Grant funding to conduct an evaluability assessment for the Youth-Police Initiative.

Albany County (2012-2013). Role: Principal Investigator. Contract to evaluate the process and operations of the Albany County Department of Children, Youth, and Families.

SEED Program (2012-2013). Role: Principal Investigator. Contract and foundation grant to evaluate the Small Enterprise Economic Development (SEED) program.

New York State Office for People with Developmental Disabilities (2012). Role: Principal Investigator. Project to assess the burnout of front-line workers in the NYS disability services system.
